2 Northside Piers, PH5

\$3,775,000

Rare to the Williamsburg waterfront, this 4-bedroom, 4.5-bathroom duplex penthouse is anchored on the premier corner of the prominent Northside Piers, boasting the largest terrace in the building with views of the enchanting Williamsburg Bridge and the classic New York City skyline. Enter into a spacious foyer and be awed by stunning light and impressive twilight sunsets. A large chef's kitchen is elegantly designed with customized high-gloss cabinets, honed marble counter-tops and a host of sleek appliances including a Sub-Zero refrigerator, wine refrigerator, Bosch cook-top, gas range and dishwasher. A separate dining area leads way into an expansive living room with direct views of the iconic Manhattan landscape.

A generous 612-square foot private terrace, drenched in Southern sun, saddles along the entire side of the first level and is accessible from the living room and downstairs bedroom, providing charm and flow for entertaining the most elaborate and elegant functions. A powder room, conveniently located off the entrance on the first level, proves invaluable.
